Son

as a Silver Star, Purple Heart holder plus many
Visits to Veteran Hosp. also had a Relative K.I.A.
to hear over TV & Radio members of selective service
find the black muslim Cassius Clay unfit for
military duty. General Hershey its a rotten
insult to every decent red blooded American
who does their bit or are due to be inducted
we had the 5 percent Vaughn, then the Baker case
now Cassius Clay unable to pass test for
service to the Country that permits him to go
about and sneer at the Boy & Women who did
serve, is it any wonder we have the Oswalds
the Ruby. the Army doctors and now the
yellow dog Clay who should be proud to
serve this America, but Gen. may we ask who
were members of your selective service who stood
under duress to insult every American
Gen. you must admit I or not Clay could
be used in some branch of service, I not combat
away with it should hang heads in shame.
Where are all the 4th July Veterans that
they don't scream across America
over

q-41997-2

in deep Protest of insult pushed on
American Public by members of the
Selective Service System.

Gen Hershey as Director of Selective Service
it is your duty as a American to make a
statement whom staff pulled this insult.
of some one levels a 30-30 m clay if the
ever enters a ring. the blame is on the members
who passed the rotten decision
